The Cambridge IGCSE 2025 examination results stood as a moment of immense pride for our school. This year 2024-25 cohort delivered a truly brilliant performance, achieving an exceptional 100% pass result. Their success reflected months of perseverance, disciplined study, and the strong academic culture that defines our institution.

Leading this remarkable achievement was our school topper, **Rushil Ranade, who secured an outstanding 6 A\* grades**. His dedication and consistent pursuit of excellence set a shining example for all learners. Close behind were **Devansh Barnwal, with 4 A\* grades**, and **Khushboo Burman, with 3 A\* grades**—both of whom demonstrated commendable commitment and academic strength.

The IGCSE results not only celebrated the accomplishments of the 2025 batch but also set a powerful stage for the upcoming cohorts. They serve as a reminder that with determination, guidance, and a supportive learning environment, excellence is within reach for every learner.

As we look ahead, we do so with confidence that the standards set by our dedicated learners will inspire future batches to aim higher, work harder, and continue the legacy of academic distinction that our school proudly upholds.
